10. Traffic Source Analysis

15. Business Opportunities

- **Cross-Selling:** Leverage Product Cart Analysis data to bundle high-converting items with low-visibility items.
- **WhatsApp Commerce:** Capitalize on high engagement via WhatsApp recovery metrics.
- **Regional Expansion:** Focus ad spend on top-performing cities identified in Region Analysis.

17. 30-Day Action Plan

- Week 1: Audit high cart-abandonment products.
- Week 2: Launch targeted email recovery campaigns.
- Week 3: A/B test product page layouts for bottom 20% performers.
- Week 4: Review and adjust regional ad spend based on ROAS.

20. Final Executive Assessment

Overall Business Health Score: **Healthy / Stable**

The business demonstrates strong foundational metrics with clear opportunities for optimization in the conversion funnel. Prioritizing cart recovery and cross-selling will drive immediate bottom-line growth without requiring proportional increases in top-of-funnel acquisition spend.
